STATEMENT OF UNDERSTANDING

With this application for membership, I agree to the best of my ability to uphold the ideals of the International Volksmarching Verband (IVV). I also agree to understand the following:

- SGAWC is a private organization under the jurisdiction of the Commander, U.S. Army Garrison Stuttgart. As such, the club is not an instrumentality of the United States. It must be self-sustaining, and may not receive financial assistance from the U.S. Army or non-appropriated funds. The purpose of the club shall be to promote and encourage the sport of wandering and related sporting and social activities. These activities will be conducted for the morale, welfare and physical well being of the members of the Stuttgart Military Community as a whole and for the betterment of relations between the members of the community and the host country.
- Application for membership in the club entitles me to receive the benefits of club membership, including pre-registration at volksmarches, club-sponsored bus trips, the SGAWC Newsletter and club items for sale.
- I will to the best of my ability assist in the club's annual volksmarch, the single most important fundraising event and club commitment; and signifies my loyalty to the continuance of volksmarches.
- As a member in good standing, I may run for and be elected to hold an office in the club council.
- Occasionally, I may be called upon to participate or assist in club matters and activities.
